

Bag Restrictions

We are restricting the size and number of bags that are allowed for entry to Cowboy Christmas.

Bags entering Cowboy Christmas will be subject to search.

If you must bring a bag:

- Bags may not exceed 12" x 17" x 6".
- Rolling bags of any type are prohibited, regardless of size, including luggage, carry-ons, laptop and computer bags, etc. Rolling luggage carts also are prohibited even if they fall within the size guidelines.
- Bags will be searched. We recommend carrying clear bags (mesh, plastic, vinyl, etc.) to expedite this process.
- Please limit the use of bags and backpacks with many pockets - these items will slow down search times.

***Clear bags are available for purchase at both Cowboy Christmas lobbies.**
