

Individual Performance Tickets

Each year we have a limited number of individual performance tickets available to the general public. The 2010 Wrangler NFR individual performance tickets will go on sale July 1st, 2010. To purchase tickets, please visit www.UNLVtickets.com or call 1-866-388-FANS. Tickets are based on availability and may not be available for every performance.

The Official Ticket Exchange will be open during the rodeo selling single performance tickets at face value. Please visit the ticket exchange inside the Cowboy Christmas Gift Show to view inventory and purchase tickets.

The Mad Dash 30 ticket program offers rodeo fans an opportunity to purchase a balcony ticket for all ten (10) NFR performances. These can be purchased directly from the Thomas and Mack Center ticket office, or by calling UNLV Tickets at 1-866-388-FANS or visiting www.UNLVTickets.com. These tickets allow the bearer entrance into the concourse. The bearer must then locate an open seat in the BALCONY AREA ONLY. The bearer may sit in a balcony seat unless the original ticket holder claims that seat. If within 30 minutes after the rodeo starts, you are unable to find an open balcony seat, you may view the rodeo from the concourse or your money will be refunded to you at the Thomas and Mack Center Box Office.
