

## ATTENDEE COVID-19 PROTOCOLS

Las Vegas Events and Show Management have continuously monitored the ongoing COVID-19 pandemic and is fully committed to producing a safe event in Fort Worth, Texas. The following guidelines will be strictly enforced during the show dates. Las Vegas Events and Show Management reserve the right to update the below requirements at any time without prior written notice based on the fluidity of the situation. Las Vegas Events, Show Management and the Fort Worth Convention Center will follow all City, County and State regulations to further ensure the safety of our exhibitors, attendees, and staff.

### **For our attendees:**

- All attendees, ten years of age or older, will be required to wear a face mask and/or a face covering at all times.
- All attendees, ten years of age or older, will be required to have their temperature checked before entering the Convention Center.
- Social distancing will be enforced within the Convention Center and will be enforced within each exhibitor's booth.

### **Our exhibitors will follow these protocols to ensure the safety of all staff and attendees:**

- All exhibitors will be required to have hand sanitizer available in their booth for use by attendees and exhibitor's staff.
- All exhibitors will be required to frequently clean and disinfect within their booth. This includes high touch points, seating, displays and any other high traffic areas.
- All exhibitors must notify Show Management immediately if they test positive for COVID-19 or come in close contact with an individual who test positive for COVID-19, during move-in, show dates or move-out.

For additional information regarding City, County, State and Federal regulations, please visit the following websites.
